

DRESS NIAGARA

XS - 3XL

Dress NIAGARA

The Niagara dress is a fabulous project for a beginner - it's quick to sew, yet it looks amazing. It has no zip and the facings are easy to attach and give the neck and armhole openings a professional finish. If you fancy sewing the Niagara as a tunic, simply shorten the pattern.

Dress length: 103 cm | 41 in (knee length)
Tunic length: 85 cm | 33.5 in
